

Hello Homeowners,

Happy New Year!

Please allow me to introduce myself. I, Vinay Kaushik am a delighted home owner of 46787 Sweet Birch Tr. I have been living in this Westerly Community for the last 8 years. It is because of my appreciation for our community that I endeavor to enhance, maintain and protect the things that we all value. I submit my name for consideration as a candidate to serve on the board of directors of the Westerly Homeowners Association.

Though I have no official prior homeowner board experience, I was closely involved and participated on all HOA activities including the public hearing between our community and Dry-Clean Depot. Through this experience, I was involved with the BOD directly and have developed very good relationship with neighbors and our community. Additionally, I have good common sense with strong effective communication skills which are fundamental essentials to advising and supporting our community.

It would be my pleasure to join other hard working volunteers by taking on extra responsibilities to provide some fresh outlook to our HOA. I am passionate about enhancing, maintaining and protecting our Westerly Community and if elected will devote the necessary energy to accomplish the following objectives.

My goals are very clear

Safety for our children and property

Protecting the value of our homes and common areas

Promote the best interests of the neighborhood by creating a social media forum for residents to become involved in the preservation, maintenance, order and improvement of the HOA

Be more productive and cut cost in this economy.

Thank you for taking the time to read this introductory letter. Should you have any questions please do not hesitate to contact me at the below address or Phone.

Looking forward to serving you!

Sincerely,

Vinay Kaushik
