December 17, 2009

Fellow homeowners:

I, Anthony DeRobertis, owner of 21493 Rusty Blackhaw Sq, do hereby submit my name for consideration as a candidate to serve on the board of directors of the Westerley Homeowners Association.

Since moving into the community in early 2007, I have been an active participant in the HOA. I attend almost every meeting and maintain the content on our web site, [www.westerley.org](http://www.westerley.org). I have attained first-hand knowledge of the workings of the association and the responsibilities of a director. This knowledge so obtained not only uniquely qualifies me to serve on the board, but also demonstrates my commitment to Westerley.

I expect this coming year—with the economy the way it is—to be a fairly difficult one for the community and the association, and to work through it, the board will need directors that have both new insight and knowledge of what has already been done.

I bring both.

Sincerely,

A handwritten signature in black ink, appearing to read 'Anthony DeRobertis', written in a cursive style.

Anthony DeRobertis
